

In a nutshell - short programme for the 2024 local elections in Kehl: “Bündnis 90/Die Grünen” (The Greens)

For an attractive Kehl:

- Support retail trade; realise indoor-outdoor swimming pool
- Further develop our diverse cultural life
- Extensive citizen participation in Kehl-city incl. Sundheim

For a mobile Kehl:

- Bus service: creation of ring line and introduction of cheap single ticket
- Mobility stations also in the villages
- Safe bicycle roads, cycle paths and parking spaces for bikes

For a healthy Kehl:

- Multi-professional health center with emergency care
- Supporting home care for the elderly and multi-generational living
- Drinking water fountains and shady areas

For an ecological Kehl:

- More green spaces and trees, less soil sealing
- Advancing the expansion of district heating in the Heating Advisory Board

For a social Kehl:

- Creating more affordable flats
- Sufficient daycare places; sufficient afternoon care places for primary school children

For a young Kehl:

- Strengthening the Youth Council
- Healthy regional food in daycare centers and schools

For a European Kehl:

- Expand cooperation agreement with Strasbourg
- Mutual support for the emergency services
